Re: Odyssey wrap-up process

First Memo of a few

Hope all is well for you and your loved ones. We expect it has been a more difficult than imagined re-entry back into the “real world” for most riders and staff. It is usually difficult for most people to make major changes in their lives, especially when going from such an active lifestyle to a quieter one moderated by daily living. Whatever your experience, TKA wishes you well with all your dreams and plans.

To wrap Odyssey up, there are still a number of activities that need to be completed, and this Memo addresses the first of a few.

Odyssey’s actual schedule

To the best of our recollection, we have prepared a Day-to-Day Itinerary of our actual Odyssey trip. We pieced together the different itineraries to get a complete picture of what actually happened from January 1 to December 31, 2000. The mileage’s are from the DRGs. If you see anything that is not quite right, please let us know.

Odyssey mailing list of riders and staff

Included is a list of Odyssey riders and staff along with each person’s mailing address and email. Please make any necessary corrections to your info and return to TK&A via phone, email, letter, etc. We will make any necessary corrections and mail a new mailing list to everyone with the next Memo.

Wheeling Hawaii 01[™] (WH01)

For those interested in a warm Odyssey reunion ride, you are welcome to join us on WH01. We are offering Odyssey vets a price \$550 **off** the going rate. So, for only \$400 you can cycle one of the most beautiful rides in the USA.

If you’d like to bring a friend or two or more, they can join you for \$700 each. See the enclosed Wheeling Hawaii 01[™] flyer and coupon for more details.

Odyssey critique

For those participating in Wheeling Hawaii, we hope you will be interested in sharing your thoughts on Odyssey at a meeting before Wheeling Hawaii kicks off. Please see the enclosed WHO1 discount coupon for more details. If you'd like to participate, please give us a call at 1-800-433-0528.

Written evaluation about Odyssey 2000®

In a future Memo, we will include an evaluation form for each Odyssey rider and staff. Everyone involved with Odyssey knows people's feelings and experiences about Odyssey are all over the map. TK&A is interested in what everyone has to say. Even the most negative feedback when presented with a desire to improve, is important and needed.

Odyssey rider and staff discounts for TK&A long distance events

We have enclosed flyers for the 2001 Coast to Coast Bicycle Classic™, the 2001 West Coast International Bicycle Classic™ and the 2002 Southern Cross Bicycle Classic™ for your use. As an Odyssey vet, you can take 15% off the going rate for any or all of these three rides. Please call for price lists and payment schedules.

Road account reconciliation's and flight refunds

Sorry about the delay in a few of the refunds promised. Brit-Simone and her staff spent hours trying to summarize each person's account to make sure they were in order before issuing a bill or sending a refund. It was a mammoth job and took longer than anticipated. Sorry for any inconvenience this may have caused anyone.

Future Memo Topics

Over the next few months, Odyssey Memo's will be addressing many topics, including:

1. Completion certificates for those participating in Odyssey.
2. Information on Odyssey's finances as promised in Southeast Asia.
3. An evaluation form for capturing your experiences and thoughts on Odyssey.
