RE: *Rider Handbook* & update

We're amazed we already have 119 registered riders, with four being international participants from Canada. Slots are filling up fast and the phones never stop ringing with Odyssey questions.

As you can see, you've received our *Rider Handbook* for our long distance bicycling events. We thought it would be handy to include this information with the Odyssey material to help you prepare for your most awesome adventure.

Please feel free to call us at 1-800-433-0528 or (206) 322-4102 with any questions or ideas.

Sincerely,
