Re: Welcome Packet Status

Unfortunately, we still haven't received our really neat clear world blow-up globes. The companies revised delivery schedule is sometime in June. We'll see. Soooo...enclosed is a partial shipment for your reading entertainment:

1. End-of-1995 Rider memo
2. TK&A's *Rider Handbook*
3. Odyssey poster
4. New Odyssey 2000[®] brochure
5. TK&A's cycling event brochures

As soon as the globes arrive, you will be the first to know. We will assemble the remainder of the welcome package and mail it off, ASAP.

If you have any questions, please give Karen-Ann, Brit-Simone or me a call at 1-800-433-0528 or (206) 322-4102.
